…An attorney who is suspended, disbarred, or otherwise not in good standing in any jurisdiction may not submit an application.

RULES OF THE STATE BAR OF CALIFORNIA

APPLICATION FOR EXTENSION

When an Application for Determination of Moral Character is about to expire, in order to avoid completing that form again, an applicant must submit an Application for Extension of Determination of Moral Character (extension application). An extension application must be filed by an applicant no sooner than every 30 months and no later than every 36 months after an initial determination of good moral character has been made by the Committee, and after each subsequent determination, until such time as the applicant is certified for admission to practice law in California. The extension application must be accompanied by the fee specified in the schedule of fees published by the Committee and by two sets of fingerprints or a completed Request for Live Scan Service form. The extension application must be submitted in substantially complete form as defined by the Committee, and must be received in the San Francisco or Los Angeles Office of Admissions on or before the expiration date.

REAPPLICATION SUBSEQUENT TO RECEIPT OF AN ADVERSE MORAL CHARACTER DETERMINATION OR WITHDRAWAL UNDER CHAPTER 4 OF THE ADMISSIONS RULES

Following the expiration of the designated time period, applicants who have received an adverse moral character determination or withdrew their application under Chapter 4 of the Admissions Rules (moral character) must file a complete Application for Determination of Moral Character form with two (2) fingerprint cards or a completed Request for Live Scan Service form and the appropriate fee. The completed form and fee must be forwarded to the San Francisco Office of Admissions to the attention of the Director for Moral Character Determinations.

COMPLETION OF INVESTIGATION

Applications for Determination of Moral Character and Applications for Extension of Determination of Moral Character generally will be processed in a minimum of 180 days, unless there are issues in an applicant's background that require further investigation and/or review by the Committee.

Applicants who are in their last year of law study are encouraged to file their Application for Determination of Moral Character at the beginning of their last year of law study, and all applicants are encouraged to file at least eight (8) to ten (10) months prior to the date they wish to be admitted to practice law in California.

Failure to file your application in a timely manner will delay your admission to practice law.

During the course of each investigation, the Committee routinely contacts many sources and outside agencies; therefore, staff is not in a position to provide information on the status of the investigation until approximately 120 days have elapsed. If in the course of the investigation staff requires further information or documentation, applicants will be contacted prior to the completion of the investigation. All applicants will receive written notification when the investigation has been completed.

Any questions regarding the status of an application after the lapse of 120 days should be made in writing rather than by telephone.
COMPLETION OF APPLICATION

All questions on the application must be answered. If a certain question does not apply to an applicant, the applicant should so indicate this and explain. Before filing the application, it should be checked to ensure that all questions have been answered, all applicable forms have been completed and attached and the application is signed. All pages of the application, including any unused forms, must be returned. The application must be signed, the correct fee included, and a completed Request for Live Scan Service form or two (2) completed fingerprint cards with the Request for Exemption From Mandatory Electronic Fingerprint Submission Requirement form must be included. Any application not meeting these requirements is considered incomplete, and will not be considered filed until it is brought to a complete status. (See Application Abandonment) The application must be received in the Office of Admissions within 30 days of the date the application is signed. If it is not received within 30 days of the date the application was signed, the application will be returned to the applicant with a blank Authorization and Release form that the applicant will be required to complete, sign and return to the Office of Admissions, along with the application.

If the application form does not provide sufficient space for the response to any question, the response should be continued on a separate piece of paper and attached to the inside back cover of the application form.

Each applicant should retain a copy of his/her completed application for reference in the event that another application must be filed in the future.

APPLICATION ABANDONMENT

Moral Character applications that are not brought to a complete and filed status within 60 days of receipt will be abandoned. This includes the lack of requisite fees, signature, or either two completed fingerprint cards or a completed Request for Live Scan Service form. Once the moral character application is in filed status, if the applicant receives notice to provide information and or documentation but does not provide such information /documentation within 90 days of the request, the application will be abandoned. No refund of fees will be paid in the event a moral character application is abandoned.

ATTACHMENTS

All supporting documents must be attached to the inside back cover of the application form. All registration forms and petitions must be sent under separate cover. Other letters or requests of any kind must be sent under separate cover.

PROOF OF ADMISSION (All Attorney Applicants)

Proof of admission (a current original Certificate of Good Standing) from each jurisdiction (except federal courts) to which the applicant has been admitted must be filed with the initial Application for Determination of Moral Character and each Application for Extension. If the applicant is filing an initial application simultaneously with the attorney registration, only one Certificate of Good Standing need be submitted. The certificate must be issued by the jurisdiction within six (6) months of the date the Moral Character Application is filed in order to be considered current. Attorneys whose status is inactive must submit a letter from the jurisdiction confirming no disciplinary action.

APPLICATION UPDATING

Applicants for admission to practice law in California have a continuing duty to update responses to questions on the application whenever there is an addition to or change in information previously furnished. The applicant will not be eligible for certification until the file is current.

REFERENCES

Confidential Questionnaires and reference letters will be mailed by the Office of Admissions to references, employers and law schools listed on the application. In order to decrease the likelihood of a possible administrative delay in certification, all confidential questionnaires and reference letters must be returned to the Office of Admissions as soon as possible.

Please note: Contacting employers is part of the administrative screening process required of all applicants pursuant to Chapter 4 of the Admissions Rules. The application will not be accepted unless an applicant is willing to have his or her employers contacted.
APPLICATION ACKNOWLEDGMENT

An application acknowledgment letter will be sent within four weeks after receipt of an application. Applicants who do not receive an acknowledgment letter should contact the Office of Admissions.

LAW SCHOOL DECLARATION

A Law School Declaration form will be sent by the Office of Admissions to each law school an applicant has attended.

WITHDRAWAL OF APPLICATION

Withdrawal of Applications for Determination of Moral Character and requests for refunds received within 30 days after receipt of the application will be honored with a 60% refund of all fees paid in conjunction with the application.

An applicant may withdraw his or her application at any time prior to being notified that a determination of moral character cannot be made because of the need for further inquiry and analysis. An applicant may withdraw his or her application after receipt of such notice only with the consent of the Office of Admissions.

FINGERPRINTS

State law mandates that the State Bar of California "...require that an applicant for admission or reinstatement to the practice of law in California...be fingerprinted in order to establish the identity of the applicant and in order to determine whether the applicant or member has a record of criminal conviction...." An Application for Determination of Moral Character or Application for Extension of Determination of Moral Character will not be considered complete without the appropriately processed fingerprints.

Live Scan Processing:

- Applicants who reside in California must submit fingerprints via Live Scan technology. Please see Fingerprint Instructions for California Residents.

Fingerprint Card Processing:

- Applicants residing outside of the State of California must submit prints on fingerprint cards (FD-258) with a Request for Exemption From Mandatory Electronic Fingerprint Submission Requirement form. Please see Fingerprint Instructions for Out of State Residents.

An applicant's fingerprints will be used solely to determine whether or not the applicant has a prior criminal record. The Committee will request that the criminal justice agencies return the fingerprints of all applicants and that the agencies neither copy the fingerprints nor disseminate them to others nor use them for any other purpose. Pursuant to Business and Professions Code Section 6054, the fingerprint cards of applicants who are admitted to practice law in California are retained for the limited purpose of criminal arrest notification.
Fingerprint Instructions for California Residents (Live Scan Technology)

Live Scan technology replaces the process of recording an individual’s fingerprints on fingerprint cards. With Live Scan, applicants are provided a Request for Live Scan Service form. The applicant is also provided a list of nearby Live Scan fingerprinting locations (printing providers) and must go to one of the specified locations to submit fingerprints. At these locations, a trained operator enters the information from the Request for Live Scan Service form into the Live Scan terminal and initiates the live scan fingerprinting process. Please see the Request for Live Scan Service form on page 6, and the Instructions for Completing the Request for Live Scan Service form below.

Applicants must download the form and print two additional copies. Three (3) copies are to be taken to an agency providing Live Scan services with a valid photo identification (expired photo identification cards will not be accepted). The Live Scan operator must complete the last section of the Request for Live Scan Service form on all 3 copies. The Original Copy is retained by the Live Scan operator, the Second Copy is attached to the completed Application for Determination of Moral Character or the completed Application for Extension of Determination of Moral Character and the Third Copy is to be retain by the applicant. The list of agencies providing the Live Scan fingerprinting services in California may be obtained through the Office of the Attorney General-California Department of Justice website: http://ag.ca.gov/fingerprints/publications/contact.htm

If an applicant’s prints are rejected because of poor quality, the applicant will be asked to return to the original printing agency for re-printing. The applicant is to take his/her copy of the Request for Live Scan Service form and a copy of the rejection notice sent to him/her by the Admissions Office. The printing agency will scan new prints and forward them to the Department of Justice for processing. The “re-printing” service fee will be waived. Failure to provide the two stated documents will result in a service charge for re-printing.

Instructions for Completing the Request for Live Scan Service form (Form can be filled out online and printed)

Note: If the date of your fingerprints is more than three (3) months prior to the filing date of your moral character application, they cannot be accepted. Your moral character application will be considered incomplete, and you will be required to complete the fingerprint process again.

Fingerprint Instructions for Out of State Residents (Fingerprint Cards FD-258)

Effective July 1, 2005, the California Department of Justice only processes fingerprints through the Live Scan Fingerprinting System unless an exemption is granted. Since Live Scan Fingerprinting Agencies are only located in California, applicants who do not reside in California are required to submit, with their application, two fingerprint cards (on form FD-258) and a "Request for Exemption From Mandatory Electronic Fingerprint Submission Requirement" form, which can be requested from the Los Angeles or San Francisco Office of Admissions. At times, there are delays in processing fingerprint cards by criminal justice agencies or delays due to fingerprint card rejection by those agencies, for which the Office of Admissions cannot accept responsibility and which may delay the processing of the application. The fingerprints must be taken by a law enforcement agency (i.e. police department, sheriff's station, etc.) or by an agency that requires you to provide appropriate identification. In the event the official taking the fingerprints has difficulty obtaining prints of acceptable quality because of the physical condition of the applicant's fingers (e.g., dermatitis, etc.), the official should be requested to explain (in writing) why the prints are the best obtainable. That explanation should accompany the fingerprint cards. Fingerprints will be forwarded to the California Department of Justice and/or FBI for a record check.

Applicants must complete identifying information required on the fingerprint cards as indicated on the sample provided, using only the abbreviations listed below. Failure to provide all correct information will result in a delay in processing the application, along with the return of the fingerprint cards for completion.

MENTAL ILLNESS, DISEASE OR DISORDER

In answering Questions 10.2, applicants should consider the following definitions for the words and phrases:

- "Ability to practice law" includes performing services in a court of justice, in any manner, throughout its various stages and in conformity with adopted rules of procedure. In a larger sense it includes providing legal advice and counsel and preparation of legal instruments and contracts by which legal rights are protected. Law practice may also include the resolution of legal questions for consumers by advice and action if difficult or doubtful legal questions are involved, which, to safeguard the public, reasonably demand the application of a trained legal mind.

- "Good moral character" includes qualities of honesty, fairness, candor, trustworthiness, observance of fiduciary responsibility, respect for and obedience to the laws to the state and the nation and respect for the rights of others and for the judicial process.

- "Mental illness, disease or disorder" includes mental or psychological conditions or disorders, such as, but not limited to, schizophrenia, paranoia, bipolar illness (manic depression), sociopathy or any other psychotic disorder.

- "Currently" does not mean on the day of, or even in the weeks or months preceding the completion of the application. Rather, it means recently enough so that you believe the mental condition may have an ongoing impact on your functioning as an attorney.

10.2 Have you been diagnosed or treated for a medically recognized mental illness, disease or disorder that would currently interfere with your ability to practice law? ................................................................. □ Yes □ No

If YES, complete FORMS 4 and 5. Make as many COPIES of FORMS 4 and 5 as you need to describe the problem.

10.3 Have you ever been adjudged an incompetent or a conservatee? ................................................................. □ Yes □ No

If YES, complete FORM 4 and on a separate piece of paper state the question number and provide a narrative explanation. Give full details, including the name of the court, title, and name of the case, the date of the proceeding, the name and address of the institution and the inclusive dates you were adjudged either an incompetent or a conservatee.
Applications for admission to practice law include, but are not limited to, applications to be admitted by examination, on motion, or on diploma privilege, applications for reinstatement to the bar, and applications for a determination of moral character. Include every such application even if that application was subsequently withdrawn. For each application, indicate the nature of the application (e.g., examination, moral character, comity), the date it was submitted, and its ultimate disposition (e.g., admitted to practice law, withdrew application, denied).

11.1A Have you ever submitted an application for admission to practice law in any state or foreign country? □ Yes □ No

11.1B If you are admitted to practice law elsewhere, are you in good standing in your jurisdictions(s)? □ Yes □ No

NOTE: A Certificate of Good Standing must be submitted for each jurisdiction into which you have been admitted to practice law. If you are submitting this application simultaneously with the attorney registration, only one Certificate of Good Standing must be submitted. If you are a General or Attorney Applicant who has been suspended or disbarred from practice as a result of a disciplinary proceeding, you are not eligible to file an Application for Determination of Moral Character (Rule 4.41(A) of the Rules of the State Bar of California (Admissions Rules).
